Technical drawing of a rectangular plate. The overall dimensions are 1398 mm in height and 780 mm in width. The plate is divided into two horizontal sections. The top section is labeled 'GEL' and has a height of 1093 mm. The bottom section is labeled 'VEA VEB VEC' and has a height of 1093 mm. The material specifications are given as (0,69) M08 for the top section and (0,56) M35 for the bottom section.

Technical drawing of a rectangular plate. The overall dimensions are 1880 mm in width and 2517 mm in height. The height is divided into three sections: a top section of 1178 mm, a middle section of 1398 mm, and a bottom section of 1178 mm. The top and bottom sections are labeled 'GGLS'. The middle section contains two labels: '(3x0,47) FFKF06' and '(3x0,58) FFKF08'. The width is labeled '1880' at the bottom. The height is labeled '1178' and '1398' on the left side. The unit 'mm' is indicated at the bottom left.
